

## NOTICE OF REGATTA

### LAKE SKINNER RECREATIONAL OUTING

LAKE SKINNER, TEMECULA, CALIFORNIA

JUNE 23RD AND 24TH, 2001

#### THE REGATTA

**Sponsor:** This regatta is sponsored by the W. D. Schock Corp. with Roger Patterson serving as the regatta chair.

**Rules:** The racing will be governed by The Racing Rules of Sailing [RRS], the prescriptions of the United States Sailing Association and by the By Laws of the Lido 14 Class Association except as these are changed by this Notice of Regatta or by the sailing instructions. The regatta is designated Category A in accordance with Appendix G of the RRS.

**Eligibility:** This regatta is open to all members of the Lido 14 Class Association. Membership in the Class Association may be purchased, by persons otherwise eligible, at the regatta. In light of the proximity to the fiscal year end of the Association, an applicant will be regarded as a member of the Lido 14 Class Association if dues have been paid for either the 2000-2001 year, or for the 2001-2002 year. Membership in a yacht club or sailing association is not required for either skipper or crew. The sponsoring authority reserves the right to refuse or revoke and refund registration to any person who cannot demonstrate a reasonable familiarity with the RRS. It is the responsibility of each participant to determine whether or not his or her skill level, experience, and maturity is sufficient for participation in any race or other activity of the Regatta.

**Check-In and Late Registrations:** Check-in and late registrations will be accepted on Friday, June 22, 2001 between 3:30 and 5:00 p.m. and Saturday, June 23, 2001 between 9:00 and 10:15 a.m. and at such other times as the organizing authority may elect.

**Sailing Instructions:** Sailing Instructions will be distributed at regatta check-in. The courses to be sailed will be shown on the racing instructions and in general will be of a configuration commonly referred to as triangle courses.

**Schedule of Races:** Five races are scheduled with three to be sailed Saturday, June 23, 2001 and two races to be sailed on Sunday, June 24, 2001. There will be no throw out. If one or more races are finished, the regatta will be regarded as complete for registration fee and for trophy purposes. No trophy will be awarded to any entrant who does not score as a finished competitor in at least all but one of the races for which finishes have been determined.

**Scoring:** The Low Point scoring system, rule A2 will apply.

**Trophies:** Trophies will be awarded to skipper and crew of the top 3 finishers of the A and of the B divisions. Entrants for both the A and B divisions will be accepted and will start as the sponsor may determine appropriate in light of the sailing conditions and the number of entrants. To encourage a variety of talent and experience and in particular to encourage newcomers to competition sailing in a Lido 14 sailboat, the organizing authority contemplates awarding additional trophies handicapped as the Organizing Authority may

elect.

**Race Committee:** An all star race committee will be provided from the members and friends of the Class Association. MBYC Staff Commodore Ray Wegrzyn has agreed to act as Principal Race Officer.

**Protest Committee:** This regatta is presented for recreational purposes and participants are encouraged to use the 720-degree penalty alternative should a rule infringement occur.

**SUBJECT TO THE SCANT RESTRICTIONS ABOVE STATED, THE ORGANIZING AUTHORITY EXTENDS ITS INVITATION TO ALL PERSONS HAVING AN INTEREST IN PARTICIPATING IN THE REGATTA, IT IS THE PURPOSE OF THIS REGATTA TO PROVIDE AN OPPORTUNITY FOR FUN IN CONNECTION WITH THE USE OF LIDO 14 SAILBOATS.**
