

***LIDO 14
SKINNER LAKE
RECREATIONAL OUTING***

June 11 and 12, 2005

Take advantage of this opportunity to sail in one of the prime sailing venues available in Southern California!! Lake Skinner has pure fresh water. The winds are usually quite nice. The venue is challenging. There are no anchored boats to avoid. The nearest tour boat is 60 miles away. There are no catamarans to cower from. Sailing legs are long enough to be able to trim out and head up -- but not so long that you think dinner should be catered half way up the beat.

PROMPT REGISTRATION IS IMPORTANT SO.....Register Now! This event is subject to cancellation and registrations subject to refund if total registrations received by the sponsor by May 31, 2005 are insufficient to cover the cost of putting on the event. The number of trophies is dependent up your prompt registration!
