## 2009 Lido 14 District 6 Championship Regatta

### July 18<sup>th</sup> and 19<sup>th</sup>

### Anacortes Washington

#### General

You are invited to participate in the 2009 Lido 14 District 6 Championship Regatta this July 18<sup>th</sup> and 19<sup>th</sup> (Saturday and Sunday) hosted by Fleet 78 in Anacortes Washington.

#### Rules

This regatta is governed by the 2009-2012 Racing Rules of Sailing

#### Eligibility

The District Championship Regatta is open to all those who are, at the time of the regatta, members of the Lido 14 Class Association. Yachts entered in the regatta will be expected to have a measurement certificate and all skippers, crew, and ballast will be weighed in at check-in.

#### Location

The regatta will be held in Anacortes in the beautiful San Juan Islands. About 1 ½ hours north of Seattle, the venue has easy access to the club with several spectator vantage points as well as great views of the islands and Mt. Baker.

#### Sailing Instructions

Sailing Instructions will be available at the Registration / Check-in area during registration times listed in the Schedule of Events as well as during the Skippers meeting.

#### Launch and mooring

Cap Sante Marina does NOT have a ramp for launching. There are, however, 2 hoists that we will be using. We will be assisting in the hoist launching of Lidos on Saturday prior to the Skippers meeting (see Schedule of Events). Please make sure your boat is set up to hoist launch. If you have any questions contact Steve Orsini at [stephen@onedesignplus.com](mailto:stephen@onedesignplus.com) or Garrett Johns at [gwjohns@yahoo.com](mailto:gwjohns@yahoo.com). Moorage will be provided for competitors or boats can be stored on trailers for those who wish to hoist their boats back out of the water Saturday evening.

#### Lodging

Camping is available right at the marina in front the AYC clubhouse through the Port of Anacortes. NO reservations are needed and the fee of \$17.50 can be made at the Port Office at the marina or by placing payment in payment box at camping area. The area has grass area for tent camping as well as a gravel parking area for RV's with no hookups. The camping area is near the marina restroom and showers.

For those who want to drive 20min or so, you are welcome to camp in Garrett's back yard (limited tent spots).

Charges for camping in Garrett's yard will be a few good sailing stories and your best secret to sailing fast.

Anacortes has several Hotel/Motels within a few blocks of the Marina. Reservations are recommended since the summer months tend to attract the tourist crowd to town. Hotel/Motel information can be found at
