## Southern California Yachting Association

Dear Sailors,

2010 is the 81st year that the Southern California Yachting Association has sponsored the Yachting Midwinter Regatta. This event is the most unique regatta held anywhere in the world. SCYA Clubs from Santa Barbara, south to San Diego and east to Arizona, hundreds of volunteers will make it possible for over 600 boats with crew numbering in the thousands to participate. More than 30 racing venues will be hosted by individual SCYA member clubs. Classes include one-design, PHRF, Cruiser, Juniors, Masters, and Seniors, inshore, offshore, and model boats. These numbers and the rich diversity of classes are unprecedented in racing.

This Regatta allows individual Yacht Clubs to feature specific races and to get sailors from other Yacht Clubs to participate in a more combined and quality race against the best sailors in Southern California.

The goal for the 2010 SCYA Midwinter Regatta Committee include introducing new participants to this sport that we love so much while continuing to offer more varied classes that ever.

Morrie Willkie, Chair  
SCYA 2010 Midwinter Regatta
